

S/Y Mojito Moody 64

S/Y Mojito is a Moody 64 Performance Cruising Yacht, launched in 2002 and had a small refit last winter. She is kept in immaculate condition and the owner has spared no expense in keeping her in pristine condition.

She is the perfect combination of a high performance sailing yacht capable of exhilarating blue water sailing...whilst her contemporary/stylish interior and spacious decks offer luxurious accommodation.

There is plenty of room for 7 guests and 2 crew. She is best suited to 2 couples, honeymooners or a family of 2. Her excellent British captain has extensive knowledge of the Mediterranean and Caribbean will guarantee you an amazing holiday! Captain Stuart would be delighted to discuss possible itineraries and as ever her flexible owner is happy to consider all locations, so whichever exotic location you are dreaming of, let us know!

Honeymoon client feedback:

"I just wanted to send you a quick note to thank both of you for everything on our amazing honeymoon. Everything was absolutely wonderful. With the captains extensive knowledge of the Adriatic sea and the chefs calorie filled meals, we couldn't have been more pleased. We really couldn't have had a better time anywhere on earth. The only mistake that we made was not hiring the Mojito as we continued to Venice, it would have been far better then our over priced hotel room!"
