

ALEXA

Classic Sailing Yacht

Alexa's lines were inspired by the beauty and elegance of the original Royal Yacht BRITANNIA. She is a 123 ft Classic Style Sailing Cruiser built by Gdansk Yacht Builders in 1992 and completely refitted throughout 2001/2002. Her classic lines disguise a thoroughly modern yacht. She benefits from brand new, up-to-date systems. Alexa has a stunning light interior, with elegant and stylish accommodation, incorporating a subtle mix of the traditional sailing yacht and a contemporary light interior design.

She has two dining areas on deck. The cockpit is permanently covered by an awning, affording the perfect refuge from the sun, wind and spray.

Accommodation

The Master cabin features a large double bed and tub bath ensuite. Two of ALEXA's guest cabins have double beds that can easily be converted into twins. The third guest cabin has three berths, and is ideally suited to teenagers or children and can also comfortably accommodate an adult. All cabins have en suite bath or shower rooms.

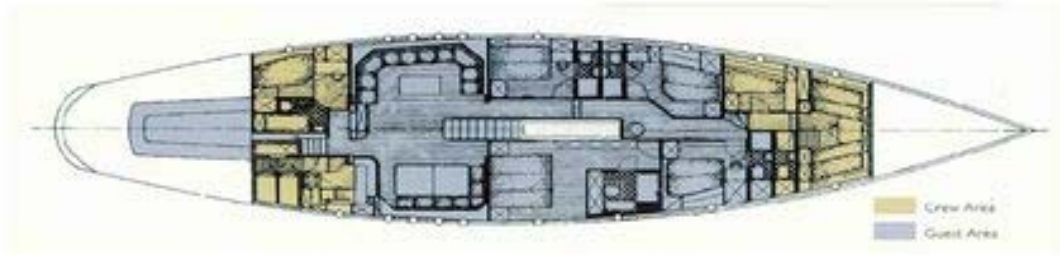

Saloon

Dining

Alexa is available from Puerto Portals, Mallorca (Majorca) and can cruise all over the Western Mediterranean.
