

S/Y FORTUNA

Fortuna is a versatile, comfortable and high performance sailing yacht perfect for your Mediterranean holiday.

The modern European styling of her light-filled interior echoes the clean lines of Fortuna's hull and sweeping flat decks.

Interior

Pale leather sofas in the main salon invite you to gather at the large table, savour the chef's – or captain's - delicious cuisine and linger in the company of friends and family. Walls and overheads are white and the minimal cabinetry is pale wood to contrast with the dark cabin sole. Entertainment includes a plasma screen TV, DVD, stereo system and library.

Aft of the main salon are five air conditioned cabins. To port is one double-bedded cabin and one cabin with upper/lower singles. These cabins have their own heads with vanities and share a shower. There are three cabins with double beds along the starboard side. The aft two share a large head and shower. The third cabin is en suite.

The galley and main crew quarters (with full head and shower) are forward of the salon. There is an additional crew cabin just aft of the salon on the port side.

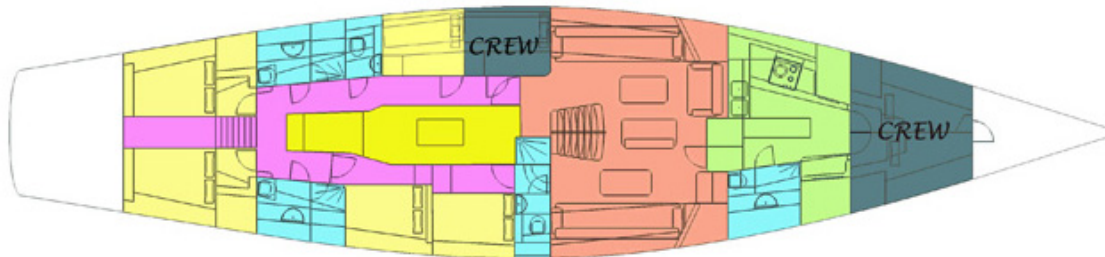

Exterior

A striking feature that sets Fortuna apart is her expansive flat decks, totally smooth and free of all obstructions. Space for alfresco dining is equally generous. Aft of the sailing cockpit, the guest cockpit comfortably seats 10 for lunch on plump yellow cushions.

A second guest cockpit, dubbed 'the aft beach', offers sunning cushions and two smaller tables suitable for 10. Just 20 centimeters (8 inches) above the water, this is the spot to relax with a cool drink, dip your toes in the water and watch the sunset.
